

**MEKAN
MOAZZAM A**

MANAGER, INFRASTRUCTURE ADVISORY SERVICES
IFC

Professional Experience:

Mr. Mekan is a manager of IFC's advisory services in the Middle East and North Africa region for Public-Private Partnerships and Privatisations. He has over 20 years experience in the field of infrastructure investments and helping governments in establishing their PPP programmes. He is currently heading the IFC efforts in advising the governments of Saudi Arabia, Jordan, Egypt, Pakistan, and Lebanon in implementing private sector participation transactions in the education, health, water, electricity, and transport sectors.
